Classes are designed to teach progressive techniques to the beginner through the advanced swimmer. All classes are 30 in length depending on the level. Each session is eight classes, held Monday through Thursday for two weeks. It is our goal to advance students through the lesson sequence at a reasonable pace while maintaining a high standard of instruction. **It is not uncommon for a child to repeat a particular level.**

SWIM LESSON POLICY

It is the parent / guardian's responsibility to select the correct class time and, especially, the correct class level. There is a \$5 charge for moving children who are registered in the wrong level or wrong time because they take up spots that other children could use. There is also a \$5 charge for registration cancellations.
